Excision/Alteration: Yes.

Reason(s) for Excision:

Five excisions are required to reduce the extent and degree to which the publication depicts sexual conduct of a degrading, dehumanising and demeaning nature, and degrades, dehumanises and demeans its female participants. Three of these excisions are to remove scenes of women being treated contemptuously during anal intercourse: the women appear to be uncomfortable during some of this activity, a fact that is ignored by the man. One excision is to remove an extended scene in which two women are treated with contempt by four men during sexual activity. The final excision

is to remove a trailer that contains a large number of shots of women's faces and bodies being ejaculated over by men. In the context of the video recording as a whole this trailer serves to reinforce the notion that women are objects to be used for male sexual gratification.
